

LEARN HOW TO
“GET DOWN IN
THE POLITICAL GRASSROOTS”

Attention...Business and Community Leaders:

Quit complaining about your government! Get involved, and learn how to build business relationships with your government officials, the elected people that have the vote that impacts your business...your bottom-line...your paychecks!

Attend this “**POLITICAL ACTION...A BUSINESS STRATEGY**” Seminar...no political issues will be discussed, just the political process...from City Hall to Congress!

It’s fast-moving and non-partisan! Can’t get better than that!
